| Emergency number   | : Emergency CONTACT Australia (24-Hour-Number): Infotrac/GBK GmbH<br>Customer ID: 102867               | +61-280735031 |
| SECTION 2: Hazard identification   |  |               |
| 2.1. Classification of the hazardous chemical  |  |               |
| Classification according to the model Work Health and Safety Regulations (WHS Regulations)   |  |               |

Not classified

No labelling applicable

2.3. Other hazards which do not result in classification

Other hazards not contributing to the classification : Dust may form explosive mixture in air. Handle in accordance with good industrial hygiene and safety practice.

Safety Data Sheet

according to the Model Work Health and Safety Regulations SDS No: 10896-0082

#### **SECTION 3: Composition and information on ingredients**

Comments

: A registration number is not available for this substance as the substance or its use are exempted from registration according to Article 2 REACH Regulation (EC) No 1907/2006.

| Name  | CAS-No.   | %      | Classification according to the<br>model Work Health and Safety<br>Regulations (WHS Regulations)  |
|---|-----------|--------|---|
| Cellulose, 2 - hydroxyethyl ether, retarded | 9004-62-0 | > 88   | Not classified  |
| Glyoxal                                     | 107-22-2  | < 0,01 | Acute Tox. 4 (Inhalation), H332<br>Skin Irrit. 2, H315<br>Eye Irrit. 2A, H319<br>Skin Sens. 1, H317<br>Muta. 2, H341<br>STOT SE 3, H335 |

Comments

: When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

| SECTION 4: First aid measures  |   |
|--|---|
| 4.1. Description of necessary first-aid meas   | ures  |
| First-aid measures after inhalation<br>First-aid measures after skin contact<br>First-aid measures after eye contact<br>First-aid measures after ingestion | <ul> <li>Remove person to fresh air and keep comfortable for breathing. Call a doctor.</li> <li>Wash skin with plenty of water.</li> <li>Rinse immediately with plenty of water, also under the eyelids. Consult an ophthalmologist if irritation persists.</li> <li>Rinse mouth. If you feel unwell, seek medical advice.</li> </ul> |
| 4.2. Symptoms caused by exposure   |   |
| Symptoms/effects after skin contact<br>Symptoms/effects after eye contact  | <ul><li>May cause sensitisation of susceptible persons by skin contact.</li><li>May cause eye irritation.</li></ul>   |
| 4.3. Medical attention and special treatment   |   |
| Treatment  | : Treat symptomatically.  |

| SECTION 5: Fire-fighting measures                                    |  |  |
|--|--|--|
| 5.1. Extinguishing media   |  |  |
| Suitable extinguishing media<br>Unsuitable extinguishing media       | <ul> <li>Sand. Alcohol resistant foam. Chemical powder. Carbon dioxide. Water spray.</li> <li>No data available.</li> </ul>                                    |  |
| 5.2. Specific hazards arising from the chemical                      |  |  |
| General measures<br>Hazardous decomposition products in case of fire | <ul><li>Avoid dust formation. Do not breathe dust. Forms slippery surfaces with water.</li><li>Toxic fumes may be released. Carbon oxides (CO, CO2).</li></ul> |  |
| 5.3. Special protective equipment and precautions for fire-fighters  |  |  |
| Protection during firefighting                                       | : Self-contained breathing apparatus.  |  |

| SECTION 6: Accidental release measures                                   |  |  |
|--|--|--|
| 6.1. Personal precautions, protective equipment and emergency procedures |  |  |
|  |  |  |

General measures

SECTION F. E.

6. ....

### Safety Data Sheet

according to the Model Work Health and Safety Regulations SDS No: 10896-0082

| 6.1.1. For non-emergency personnel |   |
|------------------------------------|---|
| Emergency procedures               | : Ventilate spillage area.  |
| 6.1.2. For emergency responders    |   |
| Protective equipment               | : Do not attempt to take action without suitable protective equipment. For further information refer to section 8: "Exposure controls/personal protection". |

#### 6.2. Environmental precautions

Large amounts of the product should not be allowed to enter drains or water courses or be deposited where it can affect ground or surface waters.

### 6.3. Methods and materials for containment and cleaning up

Methods for cleaning up

: Shovel or sweep up and put in a closed container for disposal. Avoid dust formation.

| SECTION 7: Handling and storage                                   | ge  |  |
|---|---|--|
| 7.1. Precautions for safe handling                                |   |  |
| Precautions for safe handling                                     | : Ensure good ventilation of the work station. Wear personal protective equipment. Avoid dust formation. Dust may form explosive mixture in air. Keep away from sources of ignition - No smoking. |  |
| Hygiene measures  | : Do not eat, drink or smoke when using this product. Always wash hands after handling the product.   |  |
| 7.2. Conditions for safe storage, including any incompatibilities |   |  |
| Storage conditions<br>Information on mixed storage                | <ul><li>Material is hygroscopic. Protect from atmospheric moisture and water.</li><li>No special storage requirements.</li></ul>  |  |

| Information on mixed storage | : No special storag |
|------------------------------|---------------------|
|                              |                     |

| SECTION 8: Exposure controls and personal protection                             |  |  |
|--|--|--|
| 8.1. Control parameters - exposure s   | tandards   |  |
| Tylose H 200000 YP2  |  |  |
| Australia - Occupational Exposure Limits   | 5  |  |
|  | Obey TLV for common dust, if applicable  |  |
| 8.2. Biological Monitoring   |  |  |
| No additional information available  |  |  |
| 8.3. Engineering controls  |  |  |
| Appropriate engineering controls   | : Ensure good ventilation of the work station. Avoid dust formation.   |  |
| 8.4. Individual protection measures, such as personal protective equipment (PPE) |  |  |
| Hand protection  | : Not required for normal conditions of use. Choosing the proper glove is a decision that depends not only on the type of material, but also on other quality features, which differ for each manufacturer. Please follow the instructions related to the permeability and the penetration time provided by the manufacturer |  |
| Eye protection   | : Not required for normal conditions of use  |  |
| Skin and body protection   | : Wear suitable protective clothing  |  |
| Respiratory protection   | : In case of insufficient ventilation, wear suitable respiratory equipment   |  |

|                                 |  | , wear suitable respiratory equip | inent    |
|---------------------------------|--|-----------------------------------|----------|
| Device                          | Filter type  | Condition                         | Standard |
| Breathing apparatus with filter | Type P1  | Short term exposure               |          |
| Other information :             | <ul> <li>Avoid release to the environment.</li> <li>Do not eat, drink or smoke when using this product. Wash hands immediately after handling the product. Do not breathe dust.</li> </ul> |                                   |          |

| SECTION 10: Stability and reactivity |  |
|--------------------------------------|--|
| Reactivity                           | : The product is non-reactive under normal conditions of use, storage and transport.                   |
| Chemical stability                   | : Stable under normal conditions.  |
| Possibility of hazardous reactions   | : No dangerous reactions known under normal conditions of use.   |
| Conditions to avoid                  | : No decomposition if stored normally.   |
| Incompatible materials               | : Strong oxidizing agent.  |
| Hazardous decomposition products     | : Under normal conditions of storage and use, hazardous decomposition products should not be produced. |

| SECTION 11: Toxicological infor                  |                                      |
